# NOTES TO PARENTS/GUARDIANS

## Technology and Internet Student Permission for Internet Use

The Irwin County School District is pleased to announce the establishment of Internet services for its students and employees. A copy of the Irwin County School District's Acceptable Use Policy is included in this handbook.

The Internet is a global network that will provide your child with access to a wide range of information from throughout the world. Your child will also be able to communicate with people from throughout the world. Use of the Internet for educational projects will assist in preparing your child for success in life and work in the 21st Century.

It is possible that your child may find material on the Internet that you would consider objectionable. The Irwin County School District Acceptable Use Policy restricts access to material that is inappropriate in the school environment. Although staff will supervise your student's use of the Internet, we cannot guarantee that your child will not gain access to inappropriate material. There may be additional kinds of material on the Internet that are not in accord with your family values. We would like to encourage you to use this as an opportunity to have a discussion with your child about your family values and your expectations about how these values should guide your child's activities while on the Internet.

Future plans may also hold that your child will have access to the district's technology system through remote dial-up from home. You will be responsible for monitoring your child's activities when he or she remotely accesses the system.

The levels of access to the Internet provided to your child will vary according to the educational purpose and your child's age.

You have the option of requesting whether or not your child will be provided with access to the Internet. To exercise either option, please sign the Parental Request to Deny Access that is printed on the back of this form.

Please contact us if you have any questions or concerns.

### Technical Services

1. **E-mail.** E-mail will allow students to communicate with people from throughout the world. Students will also be able to subscribe to mail lists to engage in group discussions related to educational subjects.
2. **World Wide Web.** The Web provides access to a wide range of information in the form of text, graphics, photographs, video, and sound from throughout the world. The Web is a valuable research tool for students.
3. **Telnet.** Telnet allows the user to login to remote computers.
4. **File Transfer Protocol (FTP).** FTP allows users to download large files and computer software.
5. **Newsgroups.** Newsgroups are discussion groups that are similar to mail lists. The District will provide access to selected newsgroups that relate to subjects that are appropriate to the educational purpose of the system.
6. **Internet Relay Chat (IRC).** IRC provides the capability of engaging in "real-time" discussions. The District will provide access to IRC only for specifically defined educational activities.

### Levels of Student Access

The following levels of access will be provided. As previously noted, parents may request that their child not have any access to the Internet by signing and returning to the school the Parental Request to Deny Access.

1. **World Wide Web** All students will have access to the Web through the District's networked computers. No individual account agreement will be required.
2. **Classroom Accounts** Students will be granted e-mail access only through a classroom account. Students may be provided with an individual account under special circumstances at the request of their teacher and with the approval of their parent.

Students are not allowed to use the phone in the office unless it is an emergency. Only students who are ill or have an emergency can request a note from their teacher asking the secretary in the office to make a call on their behalf. The secretary will dial the phone and talk to the student's parent/guardian. No student will be allowed to use any other phone on campus. Unless it is an emergency, parental messages will be sent to students at 9:45 a.m. and 3:00 p.m. in order to avoid disruption of classroom learning.

### Textbooks

If a parent/guardian needs to see a teacher, they should make an appointment through the secretary in the office. **Parents/Guardians need to check in at the main office before going to a classroom.** Students are not permitted to have guests at any time during the day unless approved by Administration.

## **ATTENDANCE POLICY**

The Irwin County Board of Education recognizes the importance of school attendance in attaining an education and expects students to be at school each day. Attendance is recorded in a student's permanent school record and the total days absent from school are recorded on all student transcripts.

### **State of Georgia Compulsory Attendance Law**

1. 20-2-690.1 Mandatory education for children between ages six and 16.
2. Every parent, guardian, or other person residing within this state have control or charge of any child or children between their seventh and sixteenth birthdays shall enroll and send such child or children to a public school, a private school, or a home study program that meets the requirements for a public school, or a home study program; and such child shall be responsible for enrolling and attending a public school, a private school, or a home study program that meets the requirements for a public school, a private school, or a home study program...
3. ...under such penalty for noncompliance with this subsection as is provided in Chapter 11 of Title 15, unless the child's failure to enroll and attend is caused by the child's parent, guardian, or other person, in which case the parent, guardian, or other person alone shall be responsible; provided, however, that tests and physical exams for military service and the National Guard and such other approved absences shall be excused absences.
4. Any parent, guardian, or other person residing in this state who has control or charge of a child or children and who shall violate this Code section shall be guilty of a misdemeanor and, upon conviction thereof, shall be subject to a fine not to exceed \$100.00 or imprisonment not to exceed 30 days, or both, at the discretion of the court having jurisdiction. Each day's absence from school in violation of this part shall constitute a separate offense.
5. Local school superintendents in the case of private schools or home study programs and visiting teachers and attendance officers in the case of public schools shall have authority and it shall be their duty to file proceedings in court to enforce this subpart. (Ga. L. 1945, p. 343, & 1, 10; Ga. L. 1969, p. 682, & 1; Ga. L. 1971, p. 264, & 1; Code 1981, & 20-2-690; Ga. L. 1983, p. 3, & 16; Code 1981, & 20-2-690.1, enacted by Ga. L. 1984, p. 1266, & 1.)

### **Attendance and Truancy Guidelines**

Irwin County schools are taking the following actions to encourage school attendance and to discourage truancy:

1. A written excuse from a physician, parent or guardian, stating days missed and reason for absence shall be provided to the school by the **third** day after the student returns to school after an absence.
2. Compulsory Attendance Ages: "between 6th and 16th birthdays." Official Code of Georgia Annotated O.C.G.A. § 20-2-690.1 requires any person in this State who has control or charge of a child between the ages of six and sixteen to enroll and send that child to school including public, private and homeschooling. However, if a child is under 6 and has attended more than 20 days in a public school, he/she is then subject to the compulsory attendance laws (20-2-150(C)).
3. Under and by virtue of the school laws of this state, you are required to cause the continuous attendance of said child/children in a school. Failure to do so makes you liable to the penalties provided therein. Violation of the law is a misdemeanor, and violation makes you subject to a fine of \$100.00 or 30 days in jail, or both at the discretion of the Court. Each day of absence from school in violation of this law shall constitute a separate offense.
4. Regular school attendance is mandated by the state and necessary for students to make adequate progress each year. As we are committed to each child's mastery of all essential skills, we will continue to closely monitor absences, tardies, and early checkouts.

We are asking our local law enforcement officials to take an active role in questioning school-age students whom they see on the streets or in other public places during the day who are not accompanied by a parent/guardian. These officials are being asked to return truant students to their appropriate school where school administrators will provide appropriate discipline.

### **Driver's License and Learner's Permit – Certificate of Attendance**

A Certificate of Enrollment, required for a State of Georgia learner's permit and driver's license, is issued by the Attendance Officer. To qualify for a Certificate of Enrollment, the student must be currently enrolled in Irwin County Schools and must not be under expulsion from school.

### **ICHS Attendance Policy**

1. **Unexcused Absence/Excused Absence**

- a. Absences for “personal reasons” are considered **unexcused**.

In accordance with Georgia State Law, a student absence is **excused** when:

- a. The student is personally ill.
- b. A death or serious illness occurs in the immediate family.
- c. Attendance conflicts with a religious holiday celebrated in the family.
- d. Mandated by order of governmental agencies (ex. by court order).
- e. A student whose parent/guardian is in military service, and such parent/guardian has been called to duty for or is on leave from overseas deployment in a combat zone or combat support posting, shall be granted excused absences up to a maximum of five school days per year for the day(s) missed from school to visit with his/her parent/guardian prior to deployment or during leave..
- f. Doctor excuses will be required in order to excuse an absence due to illness or appointment

2. **Non-Instructional Extracurricular Events**

Georgia standards allow students to be excused from a class for school-sponsored, non-instructional events ten (10) days per year. These events must be part of the Irwin County High School extracurricular program of a sports team, club, or other officially recognized group such as band or chorus. Any student representing Irwin County High School in an administratively approved activity is counted as present in school.

3. **Unexcused Absences**

- a. After a student accumulates three (3) unexcused absences in a school year, a letter shall be mailed from the school to the parents/guardians regarding absences.
- b. After a student accumulates five (5) unexcused absences in a school year, a referral shall be made to the School Social Worker and a meeting may be required with the student and parents/guardians to review the student's attendance history.
- c. An attendance contract may be issued and signed as an intervention strategy. The attendance contract would be a binding agreement between the student, parent, and the school.
- d. After a student accumulates seven (7) unexcused absences in a semester, possible consequences may include, but are not limited to, the following: Warrant issued for Parent and/or child, DFACS Referral, Parent/Student Meeting with administration, Referral to other services as appropriate (e.g. Mental Health, Parenting classes, etc.) and/or appearance before an Attendance-Appeal committee to determine credit.
- e. Students and their parents and/or guardians must be prepared to provide a clear explanation as to the reasons surrounding the student's excessive unexcused absences. At such time, the school's designee shall reiterate the consequences for excessive absenteeism.

4. **Excessive Absences - Parent/Guardian Notification of Non-Credit**

- a. **Students in grades 9-12 who miss more than seven (7) days (Unexcused/OSS) in any block or more than fourteen (14) days in any yearlong class will not receive credit for that class.**
- b. A call out system will be utilized at the end of each school day notifying parents of any absences that occurred during the school day.
- c. Attendance letters will be mailed to the address given on file in the school database prior to the seventh (7th) absence. On the seventh (7th) absence in a semester, a letter of possible non-credit will be mailed to parents/guardians. These letters will be for excused and unexcused absences.
- d. Failure to receive these written notices does not absolve parental responsibilities in complying with attendance policies and rules.

5. **Attendance Appeals Process**

- a. An Attendance Appeals Committee shall be established by the building administrator. In the event of prolonged absences due to extenuating circumstances, the student, parents, or guardian may request the Attendance Appeals Committee to review their case.
- b. The Attendance Appeals Committee shall be comprised of an administrator, counselor, school social worker, teacher, or any other person the principal feels necessary who has information for the Committee to consider.
- c. The Attendance Appeals Committee shall meet as the building administrator deems it necessary and must meet upon the request of a parent or student. Minutes will be kept of all attendance hearings.
- d. Parents/guardians will be advised in writing of their right to appeal the committee's decision to the Superintendent.

6. **Attendance Hardship Hearings**

- a. The ICHS Attendance Appeals Committee will conduct Attendance Hardship Hearings each semester to determine hardship for students with more than seven (7) unexcused absences.
- b. **After seven unexcused absences**, only a physician's or health care provider's medical documentation or court documentation will be accepted. Notes from home will not be acceptable.

- c. A student with more than seven (7) unexcused absences or OSS in any block or more than fourteen (14) in any yearlong class will not receive credit for that class. Parents/students may file a request for hardship consideration and a waiver of the attendance policy by completing an *Attendance Hardship Application Form* prior to the hearings.
- d. The student and parent have the right to attend the hearing and may request to be present. The committee will consider waiving the attendance policy if a hardship is determined to be evident following a review of the student's attendance/tardy record, excuse notes on file, sign-ins and sign-outs, and any other record the committee considers pertinent in rendering a fair decision. Students with unexcused absences will not find favorable review with the committee and *any additional written excuses will not be accepted at the time of the attendance hardship hearing.*
- e. Any student denied credit for classes due to excessive absences will be notified by mail of the committee's decision. Parents and their student have the right to appeal the decision to the superintendent if they believe the absences were due to extenuating circumstances and if none of the absences were the result of suspensions or verified truancy.

**7. Admittance Slips**

- a. Upon returning to school after an absence, the student **must report to the lunchroom to see an administrator or other designated personnel before school begins at 7:45 - 8:05 AM** to obtain an admittance slip to class.
- b. A written note from home with the following information should be given to the attendance secretary.
  - Student's name
  - Date of absence
  - Detailed explanation of absence
  - Parent/Guardian name and signature
  - Parent/Guardian home/business phone number for verification of the note
- c. The criteria listed in **number 1** will be the basis for giving the student an excused admittance slip. If a student visits a doctor, dentist, or clinic, it would be in the student's best interest to bring a note from the doctor.
- d. Any student who presents a forged note for check-out or admittance back into school will receive 2 days ISS and their parent/guardian will be required to personally check them out and in after an absence for the remainder of the year.
- e. A student has three (3) school days after an absence to present a written note to the office and the excuse from the office to each classroom teacher. No note will be accepted after the three days, thus rendering the absence unexcused for the semester.

**8. Tardy**

- a. **Tardy to school:** A student who arrives at school after the tardy bell will report to the designated area. If a student is more than 15 minutes late to his/her 1st block class, the student is counted as absent for that class. The criteria listed in number 1a and extenuating circumstances approved by the principal will determine an excused absence or tardy. Upon the sixth (6th) unexcused tardy, parking privileges will be suspended for at least thirty (30) school days.
- b. **Tardy to class:** A student is tardy when not in his/her assigned place at the scheduled time for the class to begin. All tardies will be documented for office attendance records.
- c. Tardy violations will be handled as follows:

- e. After a student accumulates fifteen (15) unexcused tardies, a letter shall be sent from the school to the parent/ guardian requiring a meeting with the District Level Attendance Review Committee. Failure to attend this meeting may result in a referral to the School Social Worker.

**9. Checking Out During the Day.**

Parents/Guardians should make an effort to avoid taking students out of school prior to the official dismissal time. Excessive checkouts will be monitored by the attendance secretary and reported to administration.

- a. **If a student misses more than 15 minutes** of a class block, the student will be considered absent for that class.
- b. A student who needs to leave school early must be checked out in person by a parent/guardian or an authorized person listed on their student information sheet. Upon returning to school, the student must present an admittance slip for class blocks missed on the day of early dismissal.
- c. The safety and well-being of our students is our first concern. Thus, any student who wishes to check out because of illness must first see the nurse for a note permitting check-out. If the nurse is not available, then administrative approval is required.

The secretary in the office will contact the parents/guardians by telephone before the student will be allowed to sign out. Upon returning to school, the student must bring a written note from home (**see 4b**) and obtain an admittance slip for class blocks missed on the day of early dismissal.

- d. Students must have a note from their teacher to go to the office. **To leave school during the day, at any time and for any reason, a student must be signed out through the office.**

#### **Procedure for Checking Out a Driving Student**

If a parent wishes to check out their student, but the student will be driving him/herself off campus, parents must email the Attendance Secretary (kbryant@irwin.k12.ga.us) and include the following information:

1. *Student name*
2. *Time they need to be checked out*
3. *Reason for checking out*

Parents must also call the front desk close to the time when they are to be checked out so the front desk can verify the caller is on the checkout list and call the student out of class. For safety reasons, students cannot simply leave class at a certain time without being called out of class by the front office. Students who will be driving themselves off campus after being checked out must sign out at the front desk. If they return to school, they must check-in at the front desk before returning to class. Please note we cannot excuse a student's absence without a valid excuse as described in the handbook.

#### **10. Makeup Work**

- a. **On the day they return to school, it is the responsibility of the students themselves to make arrangements with their teachers for makeup work.**
- b. Makeup work must be completed within 3 days after returning to school if no other arrangements have been made between the student and the teacher.
- c. Assignments, projects, or tests announced prior to the student's absence and due on the day the student returns to school are to be fulfilled by the student unless the teacher makes an exception.
- d. Students attending an approved field trip must make arrangements to complete any assignments **before going on the trip** unless otherwise approved by the teacher involved.
- e. The student should plan to stay **before or after school** to do makeup work in the presence of the teacher unless the teacher makes an exception.
- f. Teachers will apply the handbook policies on attendance and makeup work in determining student grades.

#### **11. Hospital Homebound Program**

**O.C.G.A. 160-4-2-.31 (effective 11/24/09)** - academic instruction and other services provided to eligible students who are confined at home or in a healthcare facility for periods of time that would prevent normal school attendance based upon certification of need by a licensed physician or licensed psychiatrist who is treating the student for the presenting diagnosis.

- a. HHB Services are available to students who need to be absent from school for a minimum of ten (10) consecutive days because of a non-communicable disease or illness.
- b. HHB Services must be requested through the school office by the student and parent/guardian.
- c. A completed written medical referral form signed by a licensed physician or licensed psychiatrist who is currently treating the student for the diagnosis presented must be submitted to the LEA for HHB services to be considered.
- d. Following approval of HHB services, a meeting will be required including the student, parent/guardian, administration, and all classroom teachers to develop an Educational Service Plan (ESP), discuss services and expectations. The ESP shall include a school re-entry plan.
- e. A student who is on the Hospital Homebound Program is counted present in school. Work is assigned by the classroom teachers.

## **ACADEMIC INFORMATION**

### **Student Advisement System**

Irwin County High School has a system in which students are advised according to diploma selection by school counselors. Some topics to be discussed during advisement time are career goals, promotion requirements, rules on doubling up of courses, repeating courses, Georgia High School Graduation Tests, registration procedures, and guidelines for credit recovery.

### **Minimum Graduation Requirements**

- During each semester a student may be enrolled in two (2) academic courses and two (2) elective courses.
- A student can therefore earn a maximum of four (4) units per semester OR eight (8) units per year (two semesters).
- Credit for a course is received only at the end of a semester if the student passes with at least a 70.

#### **For all graduation classes:**

**The MINIMUM units needed to graduate = 28**

**The MAXIMUM unit opportunities = 32**

- In order to graduate, all students are required to attend school for a **MINIMUM OF EIGHT (8) SEMESTERS**, except for those students who are approved to participate in post-secondary options.
- In order to obtain a high school diploma, Georgia law requires all students to complete all state required End-Of-Course Test (EOCT). The EOCT will count 20% of the final grade for the course.

**Grade Level Minimum Unit Requirements**

- To grade 10 - 6 units
- To grade 11 - 13 units
- To grade 12 - 20 units
- To graduate - 28 units

**Grading System**

Grades are averaged and converted into letter grades based on the following scale:

A=90-100; B=80-89; C=70-79; F=69 or below.

Teachers will compute students' nine weeks grades as is appropriate for their classes. A minimum of 15 grades is required to determine each Nine Weeks Grade, and a variety of assessments are used: daily grades, quizzes, test grades, projects, oral presentations, etc. For block classes, teachers will administer a comprehensive Nine Weeks Assessment at the end of each nine weeks of classes. Students will receive the following grades (the percent value is indicated) in accordance with the guidelines established by the GaDOE:

<b>Grade 9-12*</b>	
1 <sup>st</sup> /3 <sup>rd</sup> Nine Weeks Semester Grade	40 %
2 <sup>nd</sup> /4 <sup>th</sup> Nine Weeks Semester Grade	40 %
FINAL EXAM or EOCT	20 %

\*Grade Level is based on entry date into high school

The **1<sup>st</sup>/3<sup>rd</sup> Nine Weeks Semester Grade** and the **2<sup>nd</sup>/4<sup>th</sup> Nine Weeks Semester Grade** along with the **FINAL EXAM or End of Course Test (EOCT)** are used to determine the **SEMESTER GRADE**. Credit for a class is only given with a passing **SEMESTER GRADE**.

For the following classes Algebra I, Physical Science, Geometry and Biology which are all year-long courses (skinnies), grades are reported for each nine week grading period. Credit for a class is only given with a passing **YEARLY GRADE**. Students enrolled in skinnies cannot exempt mid-term exams which are administered at 18 weeks. Students enrolled in skinnies will receive the following grades (the percent value is indicated) in accordance with the guidelines established by the GaDOE:

<b>Grade 9-12*</b>	
1 <sup>st</sup> + 2 <sup>nd</sup> Nine Weeks / 2 = 1st Semester Grade	40 %
3 <sup>rd</sup> + 4 <sup>th</sup> Nine Weeks / 2 = 2nd Semester Grade	40 %
FINAL EXAM or EOCT	20 %

\*Grade Level is based on entry date into high school

**Honor Roll**

All classes, including skinnies, for which a student receives credit and which are open to all students will be included in determining the average for honor roll eligibility. All eligible classes will be weighted equally in determining honor roll status. All fines must be cleared each nine weeks in order to be on the honor roll.

- **Highest Honors** requires an average of 93 with no grade less than 90 in any block.
- **Honors** require an average of 90 with no grade less than 80 in any block.

\*All CTAE pathway completers will receive an honor cord to wear on graduation night.

**Honors Night**

Each year the Irwin County Board of Education honors students for high academic performance during the school year. Requirements for Honors Night are:

- Students must have been on the honor roll for the 3 nine weeks grading periods.
- Students must be on track for a diploma.
- Averages include grades up to and including the 3<sup>rd</sup> Nine Weeks Grade.
- Joint Enrollment and Early Admissions students are eligible to participate in Honors Night. Their high school and college

course grades are included in their cumulative average. Course work completed during the summer as a part of these programs will also count in the cumulative average.

- Honors plaques will be awarded only to those seniors attending Honor's Night who have met Honor's Night requirements for two or more years during their high school tenure.

### **HOPE - Helping Outstanding Pupils Educationally**

HOPE is the state of Georgia's scholarship and grant program that awards students with financial assistance in degree, diploma, and certification programs at eligible Georgia public and private colleges and universities and public technical colleges.

The HOPE average is derived from all classes that HOPE uses to determine a student's eligibility for the HOPE scholarship and grant program. HOPE averages are comprised of all academic classes as well as some core electives and required courses. (HOPE averages will not be rounded up. This will apply to all areas that the HOPE GPA is used.)

For more information on HOPE, log into your account at [www.gacollege411.org](http://www.gacollege411.org) or consult a guidance counselor. HOPE averages are provided on a 4.0 GPA scale and will be converted to the standard 1-100 GPA scale to obtain the required average. The required 90 average is equivalent to a 3.5 on a 4.0 GPA scale.

### **Junior Honor Marshals**

An invitation to participate as a *Junior Honor Marshal* at high school graduation ceremonies will be issued to any junior who has a 90 or above cumulative HOPE average.

Honor marshals will be expected to abide by the dress code for honor marshals at graduation:

- Wear church clothes,
- Females wear a dress which is long enough and discreet when raising one's arms to hold up the poles during the ceremony.

### **Honor Graduates**

Any senior who has met local and state graduation requirements and has maintained a **cumulative average** of 90 or above in HOPE eligible courses for the four years of high school (comprised of the numerical 1-100 grade value of all Hope eligible classes) will be recognized as an **Honor Graduate**. Averages are computed after the 1<sup>st</sup> semester of their senior year. **Honor Graduate** averages must be maintained for the remainder of the year in order to retain **Honor Graduate** status. \*note this average does not round and must be a 90 or above\*

At the graduation ceremony, a class speaker will deliver the senior address. This speaker may be chosen from the **Honor Graduate** group. The **Honor Graduates** will vote by secret ballot for their choice of speaker. After discussing the merits of two (2) seniors receiving the most votes, a faculty committee will vote by secret ballot to determine the class speaker. The faculty committee will be composed of the senior sponsor, school counselor, and principal. Other graduation program participants will be determined by this faculty committee. Each graduation program speaker must practice his/her speech with the faculty members in charge of the speeches. This must be done in accordance with the established practice schedule. Anyone not adhering to this schedule will not be allowed to deliver his/her speech at graduation.

### **Valedictorian / Salutatorian**

The graduating senior who has met local and state graduation requirements and has earned the **highest cumulative average of Hope eligible courses** will be recognized as the **Valedictorian**.

The graduating senior who has earned the **second highest cumulative average of Hope eligible courses** according to the above guidelines will be recognized as the **Salutatorian**.

The graduating seniors recognized as Valedictorian and Salutatorian must have been enrolled at least 3 semesters at Irwin County High School of which 2 semesters occurred during the Senior Year. In addition, all other state guidelines must be followed.

### **Senior Graduation Responsibilities**

1. A senior must meet all requirements set forth by the state and local board of education in order to qualify for graduation.
2. In order to "march" at graduation exercises, seniors must have earned the required 28 minimum units of credit or be receiving a Special Education diploma.
3. All obligations, both financial and otherwise, must be completed prior to graduation practice.
4. Seniors planning to graduate in May are not required to take 4<sup>th</sup> Nine Weeks Exams unless they are failing a class or are enrolled in a course which requires an EOCT. All seniors planning to graduate in July or later are required to take final exams.
5. A senior may not be allowed to participate in the graduation ceremony if he/she is guilty of any of the following:
  - a. Failure to fulfill financial or other school obligations
  - b. Failure to attend all mandatory graduation meetings

- c. Failure to attend all scheduled graduation practices and to be punctual at each
  - d. Violation of school conduct rules during graduation practices
  - e. Violation of graduation dress code
  - f. Use of tobacco, alcohol or illicit drugs at any practice or at graduation ceremony
  - g. Any good and sufficient reason
  - h. **Determination to be made by the school administration.**
6. A graduation fee, which is to be determined, is charged each senior to cover the cost of graduation flowers, printed programs, group photograph, security, and the senior picnic. This fee must be paid by the first Monday in May.

### **Repeated Course Credit**

Students, teachers, and advisors should take special care to prevent a student from repeating a course already taken and passed. No credit will be given for taking and passing the same class twice with the exception of choral music, band, occupational child care, and weight lifting. Students who have taken and passed one-half unit of credit for a required one unit course sequence on the *Six Period Schedule* system must, on the *Block Schedule* System, take the full one unit of a course in order to meet graduation requirements. Therefore, the first one-half unit of credit taken and passed will count as an ELECTIVE COURSE.

### **Schedule Changes**

Course schedule changes are handled ONLY through the Counseling Center. Changes made in any other manner are not official. Dates and times for such changes are announced. Anyone desiring to change a schedule after the deadline must present his/her situation to the principal. Unless extenuating circumstances exist, no credit will be given after the deadline. This includes credit for the class from which withdrawn and the newly entered class.

### **Credit Recovery**

Those students wishing to attend credit recovery or take an independent study course should make an appointment in the guidance office to obtain complete information on credit recovery. This program is for students who have failed a class with a 64 or lower or are off track for graduation.

### **Credit Repair**

This program is for students who failed a class with a grade of 65-69. This program will allow students to regain credit without having to take the whole class over. With this program students can only make a grade of 70 nothing higher.

### Athletic Activities - B. Nobles, Athletic Director

All Irwin County athletes and coaches are expected to demonstrate behavior that reflects pride and excellence in the athletic program at Irwin County High School. We are proud of the winning tradition, which demands the best out of everyone connected with athletics. Appearance coupled with attitude and actions reflect on the student as an individual and as a representative of the school. Students should strive to be the best thereby strengthening the championship tradition that exists at Irwin County High School.

1. All athletes will follow the school conduct rules and will strive to be model students and good examples. It will be the responsibility of the entire coaching staff to make all athletes aware of their expectations and to see that rules are enforced and adhered to consistently.
2. In order to participate in any athletic activity, each student must meet all current Georgia High School Association eligibility requirements.
3. The coach of each respective sport will have the right and responsibility of selecting and supervising his/her athletes. Each coach will have his/her individual expectations or rules in writing and have the approval of both the principal and athletic director before going into effect. All athletes will adhere to general rules set by the athletic department.
4. If an athlete seriously violates a school rule or breaks the law, the team coach, athletic director, and principal will decide the proper action to be taken in regard to the athlete’s participation in our athletic program. All athletes who are referred to the office for disciplinary action will be treated on the same basis as a non-athlete.
5. An athlete who elects to “quit” a team during that particular season will be required to “sit-out” the remainder of that sports season before he/she can begin participation in any other sport. All cases will be reviewed by the administration and the coach. Athletes must see that all equipment issued by the school is returned immediately upon his/her quitting.
6. An athlete who consistently does not attend practice or is dismissed from the team by the coach is considered quitting.
7. Students Athletes must be present for two blocks in order to participate in school events.
8. An athlete who is assigned to ISS will be allowed to practice, but may not participate in a game or competition during his or her ISS time. Suspension from school may affect the student’s right to participate in the athletic program.
9. Athletes will be expected to be neat in appearance during the school year. Hair must be neat and well-groomed year round. Athletes in violation of this rule will be suspended from participation until in compliance.
10. Athletes will be transported to out-of-town events by transportation provided by the school. If an athlete travels to an athletic event on a school bus, he/she will return on the bus unless a parent/guardian requests of the coach that the athlete ride back with him/her. **Athletes will be allowed to ride only with their parents/guardians and no one else.**
11. Good sportsmanship conduct will be expected at all times from all athletes. Athletes are expected to exhibit good manners and good behavior at all times.
12. All athletic uniforms must be worn as they are designed to be worn.
13. Missing practice is a serious violation of athletic conduct. Unexcused absences will not be tolerated. If there is a need to be absent from school athletic practice, it is the responsibility of the athlete to clear this with his/her coach. Each coach will outline the rules for practice requirements. If a student is absent from school, he/she will not practice unless cleared by an administrator.
14. All students participating in athletics, including practice sessions, must be properly insured against accidents. Proof of insurance is required to participate. School insurance is available for purchase if needed. The Irwin County Board of Education DOES NOT provide insurance coverage for athletic competition.
15. An athlete who is caught at “anytime” in violation of the rules below will be subject to proper disciplinary action as outlined in the Student Conduct Rules of the student handbook. All cases will be reviewed by the coach and administration.
  - a. The use of tobacco or alcohol will result in immediate suspension from the athletic program pending an investigation from

the athletic program on the issue. Appropriate disciplinary action will be taken as warranted. Failure to complete the assessed punishment in any of the athletic rules within the given time limit will result in 180 consecutive days suspension from athletic participation. Re-entry into the athletic program will be determined by a hearing involving the athlete, his/her parents/guardians, athletic director, respective coach, and principal.

A suspension applies to all buses unless otherwise designated by school officials. The responsibility for student supervision by the school shall begin when the student boards the bus in the morning and is retained until the child leaves the bus at the end of the day. Riding the school bus is a privilege not a right, and may be revoked for safety and discipline infractions.

This letter will become part of the documentation required by the building principal to ensure that all students and parents understand the policy.

The school bus ride is an extension of the school day and is subject to all school policies and procedures. Bus Conduct Reports will be recorded in accordance with all other school record keeping procedures.

## II. Transporting of School Related / Non-related Items

No animals or any other dangerous or objectionable nature items will be transported in the school bus when children are being transported. Baseball and softball bats, hockey sticks, skateboards, or any other unacceptable recreational equipment will not be allowed on regular buses. Band instruments that will be allowed on the bus are those that are small enough to be held in the students lap. Instruments may not be in the aisle or take the space of a student if that space is needed to sit down. Damage to personal items are not covered by the school bus insurance coverage.
